## No Job is Too Tough.

### THE EDIC SATURN™ 17" FLOOR MACHINE

No job is too tough for this rugged series of floor machines from EDIC. With its all-metal construction and steel planetary gear boxes, the **Saturn™** can stand up to the heaviest workloads, yet the ride is surprisingly smooth and quiet. The low speed models are built specifically to handle the stress associated with stripping and scrubbing hard floor surfaces. Key safety features and an anti-fatigue design make this machine operator friendly and a winner in every commercial setting.

#### FEATURES:

- All-metal construction assures durability.
- Dual-trigger negative pressure switch allows operator to run with either hand.
- Exclusive "lockout lever" is designed so operator can safely activate motor with both hands on the grips.
- Wide-gripping handle locking mechanism guarantees a tight lock and smooth adjustment.
- Non-marking PVC bumper prevents marks on walls and furniture.
