Specialty Spotting, Cleaning Solution

GRAB Charge Away

Removes Filtration Soil Lines, Toners, Carbon soils, Soots and other Charged Particles

Ready to use
Commercial Grade
For Professional Use Only
Read All Instructions and Precautions Before Using

How To Use:

For spot extraction on residential and commercial carpets.

Ready to use - do not dilute. Shake gently before using. Pre-test on carpet or fabric for colorfastness in an inconspicuous place.

1. Pre-vacuum thoroughly (with hose only, no beater bar) to remove loose soil, especially dry toner.
2. Apply GRAB® Charge Away to saturate fibers in soiled areas. Allow 3-5 minutes dwell time to loosen soil. (If working on dry toner, use GRAB® Ink Remover and follow as directed). Agitate with a soft brush or groomer if needed.
3. Extract completely using hot water or rinse solution. Repeat if needed.
4. Lightly brush or groom to align fibers.

pH: 10

Also Available
GRAB Nylon Pre-spray

32 oz.
