

HIGH-PERFORMANCE FORMULA

- A Low Moisture Encapsulation Chemistry
- Advanced Anti-Soiling Fluorochemical Technology
- Re-Fortifying Acid Stain Blockers

COMMERCIAL GRADE

GRAB® Fortify LMC

Low Moisture Carpet Cleaner Concentrate

GRAB® Fortify LMC is a unique low-moisture carpet care system that not only encapsulates soil but also adds anti-soiling technology to the fibers.

GRAB® Fortify LMC anti-soiling technology allows the carpet to stay cleaner longer between maintenance cleanings over standard low moisture cleaners. Safe to use on nylon, wool and stain resistant carpets.

How to Use

Before Use: Always test a hidden section of the carpet for color fastness. Vacuum area to be treated first to remove any loose soil.

For Spots and Stains on Carpets and Rugs:

Step 1: Mix 24 ounces of GRAB® Fortify LMC concentrate with 1 gallon of water in a clean, standard pump sprayer.

Step 2: Hold spray nozzle 12 to 18 inches from the carpet and apply the GRAB® Fortify LMC solution to the entire area to be cleaned. Wet but do not saturate.

Step 3: Work GRAB® Fortify LMC into the carpet or rug using a counter rotating brush and allow time for drying. GRAB® Fortify LMC should be used as part of a complete carpet care system which includes periodic extraction cleaning.
