

CRYSTAL CLEAN TECHNOLOGY

- Designed for use with Hot/Cold Water Extraction Machines
- No Soapy Residue
- Formulated for High Traffic Areas

COMMERCIAL GRADE

Traffic Lane

Carpet Cleaner for Heavy Traffic Areas
Concentrate

Grab® Traffic Lane cleaner concentrate is designed for use in maintaining areas that receive high concentrations of traffic. This product is a combination of surfactants, wetting agents, dispersants and penetrants that work to eliminate ground in soils that occur in high traffic areas. This product is manufactured for professional use.

Not for use on wool carpet.

How to Use

Before Use: Always test a hidden section of the carpet for color fastness. Vacuum area to be treated first to remove any loose soil.

For Spots and Stains on Carpets and Rugs:

Step 1: Mix 8 ounces of **Traffic Lane** cleaner concentrate to 1 gallon of water.

Step 2: Using a standard pump sprayer, spray liberally in area to be cleaned.

Step 3: Let stand for 10-15 minutes, then agitate using a counter rotating brush device.

Step 4: Rinse using hot/cold water extraction. For best results use **Grab Crystallizing Acid Rinse**.
