

Specifically designed as a rinsing agent for any NVDS product. For use on carpets, upholstery and some hard surfaces.

Specialty Spotting, Cleaning Solution

GRAB VDS

Multi-Purpose Volatile Dry Solvent

Ready to use
Commercial Grade
For Professional Use Only
Read All Instructions and Precautions Before Using

How To Use:

Ready to use. Pre-test on inconspicuous location for surface damage, dye stability, or shrinkage. Do not use on acrylic or solvent-sensitive plastic surfaces. Use with adequate ventilation.

1. Sponge or scrape up any surface spot material.
2. Apply GRAB® VDS to a clean white absorbent cloth.
3. Wipe surface or blot (do not rub) fibers. Heavily soiled surfaces may need light brushing. Work from the outside to the center of the soiled areas.
4. Repeat steps 2 and 3 as necessary. Brush fabric to align fibers.

Note: For manual cleaning procedures only. Do not use in solvent cleaning equipment, solvent extraction equipment or dry cleaning equipment.

pH: N/a
